4. Declaration Of Criminal Record

To help the University reduce the risk of harm or injury to their students caused by the criminal behaviour of other students, they must know about any relevant criminal convictions that an applicant has.

Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or a sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them (but see next paragraph).

You must answer 'Yes' if any of the following statements apply to you.

a) I have a relevant criminal conviction that is not spent.

b) I am serving a prison sentence for a relevant criminal conviction.

If statement b) applies to you, you must also give the prison address as your postal address on page 1 of your application and a senior prison officer must support your application. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974) are not considered to be relevant and you should not reveal them.

Please indicate if you have a relevant criminal conviction by ticking in the box Yes

Applicants who answer 'Yes' will not be automatically excluded from the application process. However, the University may ask for more information before making a decision.

If you are convicted of a relevant criminal offence after you have applied, you must tell us. Do not send details of the offence; simply tell us that you have a relevant criminal conviction. The University may then ask you for more details.

Mature Applicants

The University of Hertfordshire (UH) welcomes mature students, including those who do not have conventional qualifications, for admission to higher education. Full account is taken of relevant experience and other educational achievements.

The Data Protection Act 1998

UH maintains records relating to its students in both manual and computerised forms. These include correspondence with and relating to students, both current and potential; computerised records for applicants created from information supplied by applicants and/or UCAS and other agencies; and information on current students collected at initial registration or added as a result of subsequent processing. The information collected and held is necessary for the administration of UH's courses and examinations and the quality assurance processes that support them, and permits the University to make statistical returns required by the Government, the Higher Education Funding Council for England, and other statutory agencies. In completing the declaration on the Registration Form students are deemed to consent to the collection, recording and use of this information in the ways described above, and set out in more detail within the University's Data Protection Act registration.

Referees

Send part B, "The Reference", to your referee(s), having completed the personal details on the first side. It is your responsibility to ensure that UH receives your reference.

If you live outside the UK state the country (Italy, France etc) where you are living as your area of permanent residence. Please give details of who you expect to pay your fees for the proposed course. If not known, please indicate this.

Section 7 Academic Qualifications achieved

Applicants with overseas qualifications should give details of the examinations taken as preparation for entry to higher education. Examples are Higher School Certificates, Apolytirion, Baccalaureate, Diploma di Maturita, Examen Artium and Studentereksamen. You should give details of any non-examined subjects you are studying. If you have been out of education, please outline any relevant experience that may be considered in lieu of formal qualifications, either at home or in voluntary or paid work. You should explain any gaps or breaks in your career.

If you are applying for deferred entry (a year beyond the next academic year) please explain your reasons.

Section 12 References

Please consult course literature to see if any particular type or number of referees is required. (You should send Part B to your first named referee.) Some departments may contact referees directly after receipt of your form. Normally, your referee would be one of the following:

The Head of your present or last school; Principal of your College of Further Education; Course Tutor of your present or last course of studies. If you have been out of education for some time, you may wish to consider one of the following: your current or last employer, or training officer, or careers advisor; if you belong to a relevant organisation, voluntary or not an officer of that organisation, Access Course Tutor. If you have any difficulty in identifying a suitable referee you should seek the advice of the University Admissions Service.
